

About the author

Marcin Gromczewski

Hi, I'm 3D artist with lot of passion to every task I take. I love to observe world and recreate things, materials, lights in 3D space, get as much detail as possible, everything for the closest approach to reality. I like design and create interiors and exteriors of buildings, it's an old love from my last education years, because I'm an architect also. I'm interested in bicycle riding, playing on instruments, and watching movies in free time.
