

FREE 3D MODELS IKEA APPLARO

IKEA APPLARO is biggest outdoor furniture series for outdoor living of the super brand IKEA. Designers of the series are Knut Hagberg and Marianne Hagberg. PROVIZ team created free 3d models of Applaro full series using photos and information that is available to find on ikea webpage. We also textured them in original color and prepared preview files in one PDF document so you are able to use them free and easy. Feel free to use them for whatever purpose you need, they are totally free for use.
