

# Production Photo Lights HDRI set vol 4.0

16 unique high resolution lights included in the pack.

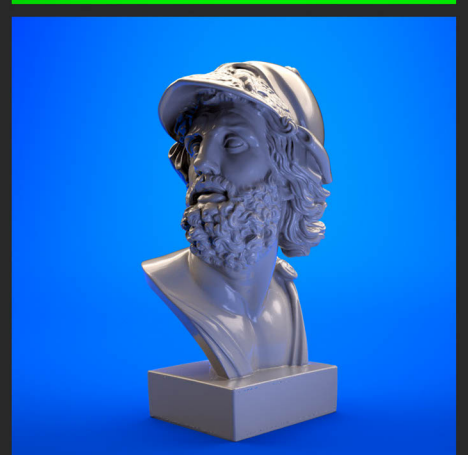

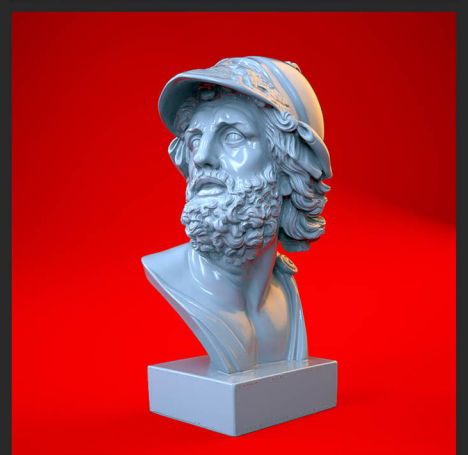

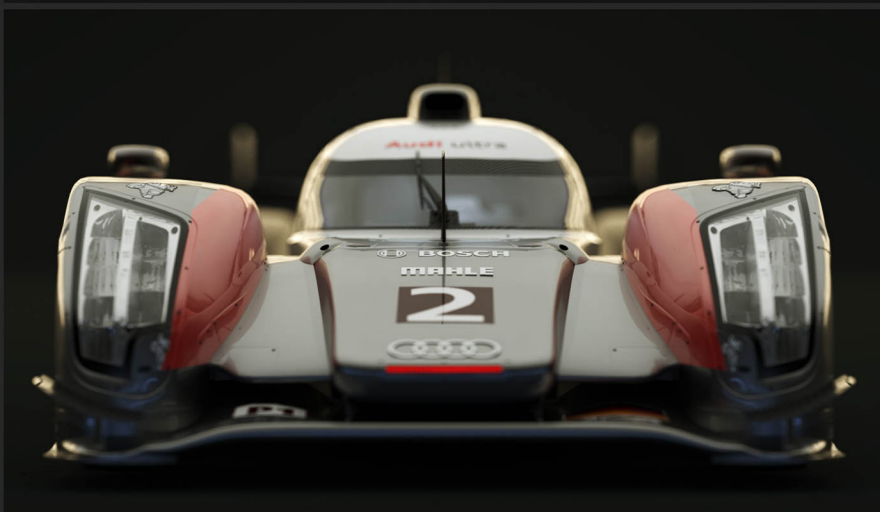

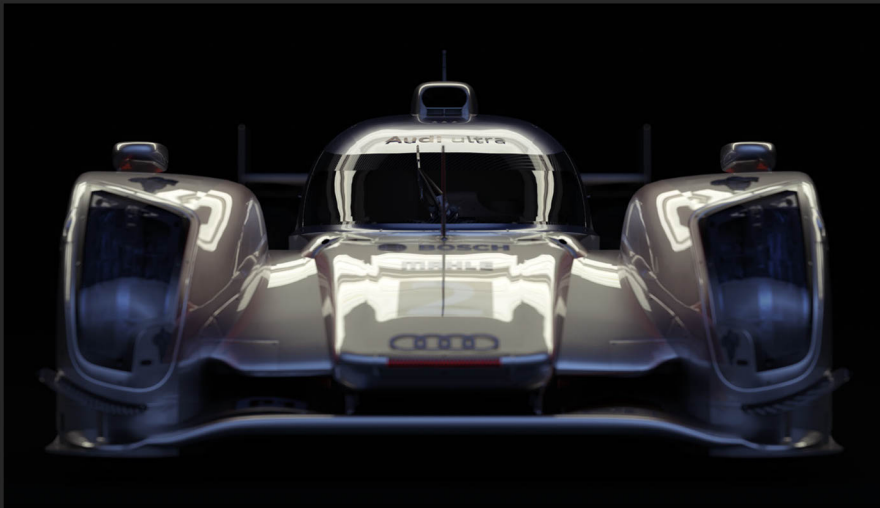

3 different color temperatures + grayscale version are available for every light.

real world size are stated for all lights.

# Sample Renders

made with light sources accessible in a set only

# Fluorescent Light Dirty

Real size: **65x30cm**  
Texture resolution: **3000x758pix**

**32 bit** float range  
full white: **+9,5ev**  
full black: **-9,5ev**

**100%** crop:
